

Fahim Hossain

FRONT END DEVELOPER

PERSONAL DETAILS

I am a front-end developer with experience in the design, development, and maintenance of websites and web applications. I am proficient in HTML, CSS, and JavaScript, and have working knowledge of React and Firebase. I am passionate about creating user-friendly websites and web applications that are easy to use. I have a keen eye for detail and I am always keeping up-to-date with the latest web technologies.
